

## INDIAN FOREIGN POLICY PROJECT - SUMMER VIRTUAL INTERNSHIP PROGRAMME

1st July to 1st September, 2024

### Internship Details

Position	Multimedia & Design Intern, M&D Team, IFPP
Work Details	Create cover art, graphics, animations, doodles, and more. Work includes using Canva & Illustrator, video editing software, and crafting hand-made digital art to publish alongside our articles.
Period	2 Months
Perks	LOR, Certificates, and Opportunity to join the organization.

### About IFPP:

The Indian Foreign Policy Project is a cross-university student-led effort to engage young Indian voices in international relations and politics and expand foreign policy discourse across academic spaces. Every month, IFPP publishes comprehensive articles about contemporary events in International Politics. Our research scope extends to South Asian geopolitics, European and Western Affairs, Global South politics, and Chinese foreign policy.

### About the Role:

This is a remote internship role for a Multimedia & Design Intern at the Indian Foreign Policy Project, with a duration of 2 months, starting from 1st July 2024. You will be responsible for creating graphics, designing, developing branding materials, and editing images. This is an excellent opportunity to gain practical experience in graphic design and contribute to a meaningful initiative.

### Qualifications:

- Graphics and Graphic Design skills
- Experience in branding and content-specific designs
- Proficiency in image editing software, including Canva, Adobe Illustrator, etc

- Strong attention to detail and creativity
- Ability to work independently and remotely
- Excellent communication and collaboration skills
- Assist with post-production video editing
- Ability to create motion graphic videos using software
- Enthusiasm for foreign policy and international affairs is a plus
- Currently pursuing a degree in Graphic Design or a related field (preferred)

Applicants currently in high school and college are preferred. IFPP is an equity-based employer, and we give preference to applicants from minority/underrepresented backgrounds.

### **Work details:**

- Collaborate with the Research & Publications Department to design article covers and intext illustrations;
- Create weekly themed digital illustrations (doodles, graphics, etc);
- Create video graphics, and animated clips for our video infographic series using Canva, or any other video editing software;

### **Perks:**

Certificate of completion at the end of the two months.

Letter of Recommendation, subject to the quality of work produced.

Opportunity to join the IFPP's Multimedia & Design Department as a member.

Be a part of a passionate, upcoming team of individuals!

### **Application Process:**

Interested candidates are invited to submit their CVs and their design/multimedia portfolio to [reach.ifpp@gmail.com](mailto:reach.ifpp@gmail.com) with the subject line 'Internship Application - Multimedia & Design Intern - [Your Name].'

### **Dates:**

Initial Deadline: 15th June

Final Deadline: 20th June 2024
